## CERTIFICATE PROGRAM SPRING 2021 BOOK LIST

A booklist for each class is required by the United States Department of Education when registration opens. The booklist is ONLY information for the student. Professors are always searching for the best and most up-to-date resources. In addition, books can go out of print between registration and the beginning of the course. Booklists are finalized 30 days before the course begins. If you have any questions about the books for a course or you are having difficulty locating a book, please reach out to the professor or the Gardner A. Sage Library.
